

Sold

1429 Webster Street, Hexham

AFFORDABILITY AT ITS BEST

Steep in history this renovated home sits central in the township of Hexham. Perfectly positioned, between Mortlake and Hamilton, only 250kms West of Melbourne. You will be amazed by this property, including a fully self contained bungalow in the backyard. Originally home for the local police sergeant, many original features have been kept with fantastic attention to detail on recent renovations given priority. A solid home re stumped and re wired. For the budget conscious full time residents or for the family holiday home with a difference. Easy access for day trips to many top tourist destinations making this the ideal base. The quiet location this property offers on 1 acre, is a must see and is realistically priced in the market. First to see will buy.

Sold : \$139,000
