BIG SHED IMMACULATE HOME

Prepare to fall in love with this immaculately presented home located at the top end of Timboon. Positioned on a generous 910m² block with a secure fenced rear yard, the home offers stunning near new kitchen with stainless gas cook top oven and dishwasher. The kitchen overlooks the dining family room incorporating a centrally located wood fire heater and a split system AC for the hottest of summer days to warm the entire home. Three bedrooms comprising built in robes and a modern tiled bathroom are just the start of this immaculately presented home. Outside the presentation is the same as inside with extremely neat garden beds and striking plant colour to be enjoyed. Finally the industrial size shed/workshop puts this property above average, for those looking for the perfect home with a better than perfect shed size.
