5 Cowie Close, Dennington

Bring the Caravan to Cowie

Located in a peaceful close in Dennington, you can't go past this 4 bedroom family home. Being only 6 years old and on roughly a 917m² block this home is all about space and comfort. All four oversized bedrooms feature BIR's with WIR and ensuite to main. The large living areas provide an abundance of space for all the family. A functional kitchen provides the ideal space for cooking your favourite meals with all quality fixtures and fittings including gas cooking and dishwasher. Not only is the kitchen the ideal space but it opens onto the undercover area which provides convenient entertaining opportunities.

The big draw for this property is the ample amount of shedding, with a single garage off the kitchen and a 2 car garage that also opens to the large workshop that is located under the home. Side access to the property makes storage of a boat/trailer/caravan a breeze. This spectacular family home will not last long so call our office today to book an inspection!
