Country Living At It's Best!

As you can see by the photos this property is one of a kind! 50 acres of rural living only a short drive from town!

Let's start with the home, five big bedrooms, all with BIR's and the main featuring WIR and ensuite, two living areas with one featuring a cosy wooden fire place, an enormous (and I cannot stress that enough!) rumpus room which opens out to the backyard. And a spacious open plan kitchen which consists of a great sized walk in pantry, ample amount of bench space, stainless steel appliances, that does include dishwasher as well and it also opens out to the backyard.

Outside this property is just as magnificent, acres upon acres of grazing land which includes deer pen, old dairy and sectioned paddocking.
