Modern Delight

Built only a few years ago this neat modern home is perfect for the expanding family. Established brick home on a spacious block offers plenty of space for everyone to enjoy both inside and out. The large 4 bedrooms all feature built in robes while the master has walk in robe and ensuite and the study could make a possible 5th bedroom if needed. Enjoy cooking in kitchen with stainless steel appliances while being able to watch over the meals and family living rooms, plus another lounge is ideal for a formal sitting area or perfect for a kids room the choices are endless. Great for entertaining in all weather conditions is the large undercover outdoor area which overlooks the neat and tidy low maintenance backyard. Other features include double garage, gas central heating, large walk in pantry, central bathroom complex and so much more that only an inspection will truly satisfy. Call today for more information
