Lot 25, Lakeview Drive, Koroit

## ONCE IN A LIFETIME

We are proud to have on offer an allotment of land that simply speaks for itself. It has the most amazing elevated Southern views across the Tower Hill crater reserve, extending endlessly through to the Southern Ocean taking in Port Fairy, and beautiful sweeping rural views that go on forever to the North. This block is 1 acre approximate in size and comes with all the relevant permits. Another bonus is the availability of Design Plans assembled by a well known Warrnambool Architect. Regrets are forever, so don't let this one go! Call today for more information.
