4152 Hopkins Highway, Mortlake

Perfect Country Lifestyle Retreat

This character filled weatherboard cottage on a highly desirable parcel of approximately 17 acres of land proudly offers comfortable rural family living.

Four bedrooms, one living area or the option to configure as three bedrooms with two living areas to suit your families desires. With beautiful polished floorboards throughout, stand alone wardrobes for storage requirements, built in robes in the master and bedrooms of a reasonable size.

The delightfully renovated and functional kitchen offers you quality appliances, island bench, walk in pantry, ample cabinetry and truly is the heart of this homestead.

A full family bathroom large in stature which incorporates an enticing clawfoot bathtub that screams come and soak in me and pamper / indulge yourself.

Stand alone bungalow with second toilet.
