An opportunity to purchase a property with everything done is up for grabs. The detail of this home, gardens and garaging is second to none. As you walk to the front door of this property you just fall in love with the ambience it has on offer. The main entrance is welcoming and features the main bedroom to the left, has large built in robes and is very spacious. The other two bedrooms are also large enough to easily fit queen beds in them and both have built in robes. The bathroom is immaculate with its recent renovation and is equipped with everything you need. The kitchen is stunning, it features gas hotplates, electric oven, has plenty of bench space and cupboards. The lounge area is at the rear of the property and is adjacent to the northeast facing outdoor area, this is perfectly positioned being away from the bedrooms and makes it ideal for entertaining. The laundry has heaps of storage and houses the extra toilet. The outside has a double garage at the rear with a concrete driveway to the curb and has a secure backyard ideal for keeping the pets in.
