1 Flinders Street, Warrnambool

Quality, Location, Size

Treat your family with this outstanding quality built home, with luxury fittings throughout including central air conditioning and heating for all year comfort. Luxury is felt with the tiled feature floor entrance hall. The feeling of space is present through 4 large bedrooms, a formal lounge to unwind and a huge family room to entertain the whole family. The generous kitchen is perfectly designed for the budding master chef in the family. Fitting the family home entertainment tag perfectly, from the large spotless laundry to the flowing floor plan this home will delight inside. Outside this home presents immaculately with a large sheltered pergola and attractive garden bed. Rear yard access through the double garage and a single high strength colourbond shed perfect for additional storage. This home is ideally situated with north facing rear yard on 720m² giving plenty of space for the kids.
