6 Cameron Street, Terang

## READY TO ADD YOUR DREAM HOME

Elevated to take in sweeping views this magical block located on 1 acre is offered for sale having had an enormous amount of lifestyle living setup work completed. Starting with a large 4 bay Colorbond shed connected to a 10,000Lt tank, solid elevated formed horseshoe driveway incorporating boundary trees and a stunning front stone wall professionally erected with superior drainage incorporating 50mm scoria and split pipe foundations and highlighted by Antique Sunshine steel gates. Complete with building permits making your new dream home closer than you think. This is far from the average rural building block with all the hard work done; simply add your dream home, then sit back and enjoy the evening sunsets.
