Serenity Plus on 5 Acres

This property is perfect for all stock with its slight undulation makes it very dry with its run off to the naturally spring fed dam. This water supply never runs dry and pumps around the house and to all troughs. The shed is unreal which easily houses four large vehicles and still has plenty of space for storage and a workshop. The home features three bedrooms an ensuite to the main, and all with built in robes. The home has been meticulously maintained and updated throughout with modern appliances present. The outdoor area is approx. 12 metres long with caf blinds that open and close to help u entertain all year round. Being less than 20minutes from Warrnambool this 5 acres is just the best and an inspection is sure to impress. Call us today.
