## The Quiet Life

Rural living at its best! Offering a calm and tranquil lifestyle with a rural outlook that is only 10 mins driving distance to Warrnambool (15 to CBD). You will live only 5 minutes drive from Woolsthorpe; where you can dine at the popular Union Station Hotel, or pop into the General Store. Woolsthorpe also boasts a fantastic Primary School. Spend your weekends walking to the close-by picturesque Lake Cartcarrong & Winslow Recreation reserve, and play cricket and tennis at the reserve with the family.

Situated on just under an acre (3496m<sup>2</sup>), you will have ample space for privacy, some animals, a large beautiful garden and space for the kids or grandkids to roam free (but you won't need to spend all your time mowing!)

The block itself is drained and fenced with power supply.

One definitely not to miss, it's time to make your dream a reality.
