Time Well Spent

If you're looking for peace & quiet, this property on 6 acres will top your list. Located only 25 mins from Port Fairy's beaches, the property is half way between Warrnambool & Hamilton. The kids will love the space, while you will love strolling amongst established trees & beautiful landscaped gardens. Ticking every box then adding more with shedding, stables, shearer's quarters, new fences & gates, finally a fully fenced tennis court that just needs to be cleaned up. Your dream hobby farm lifestyle property is a reality. Inside enjoy 3 bedrooms & a study or 4th bedroom. Yes this home is ready for your family to move in. A master chef will shine in the kitchen then serve in the dining area. Walk on the newly polished original Baltic floors throughout, later relaxing in the very comfortable lounge to enjoy your warm country wood heater. Perhaps pamper yourself in the newly renovated bathroom with separate bath & shower. For the safety conscious have peace of mind knowing upgrades include, electrical re-wiring, bore & septic update. With nothing to do this is an extremely tranquil property.
